About Conference

The vision behind organizing this conference is to provide an excellent forum for researchers, scientists and industrialists from interdisciplinary areas to showcase their current contribution in the recent area of ARTIFICIAL INTELLIGENCE. The objectives of International Conference on Recent Trends in (ICRTAI-2025) are to abreast the young minds from Institutes, Universities, Colleges and Industries across the country, with the latest advancements in the field of this area, and providing them an opportunity to share their recent researches and views in various fields of and their applications for the ultimate benefit of the Society and Industry.

About University Campus

Sridev Suman Uttarakhand University was established as a State University of Uttarakhand, with the State Government notification No 270/XXXVI (3)/2012/48(1)/2012 dated 19th October 2012, following the amendment of the erstwhile Pt. Deen Dayal Upadhyay Uttarakhand Vishwavidyalaya Act in 2011. The university is nestled amidst the picturesque Himalayan ranges in Tehri Garhwal and has jurisdiction over seven districts, including Chamoli, Raudraprayag, Pauri, Tehri, Uttarkashi, Haridwar, and Dehradun in the Garhwal region of Uttarakhand.

Pt. Lalit Mohan Sharma Campus, Rishikesh, the erstwhile autonomous college, one of the best academic institutions of the newly created Uttarakhand State catering to the academic needs of the western part of Uttarakhand, is the new campus of the University. The Government of Uttarakhand decided to convert the college into a campus of the university to justify the historical facts regarding the city as the name "Hrishikesh" which is a combination of two words Hrishik (senses) and esh (God or master) is the perfect place to gain the highest quality of knowledge through penance (hard work) and devotion. The city is well connected with buses, trains from major areas of the country, and Air (Dehradun Airport at Jolly Grant is nearly 21Kms from Rishikesh).
