Dear Sir,

We would like to inform you that UGC has shared with us a calendar of meetings to be conducted with Higher Education Institutions (HEIs) in the presence of the respective State Higher Education Departments, ABC representatives, and UGC officials. The objective is to fast-track the implementation of the Academic Bank of Credits (ABC) scheme across all states.

As per the tentative schedule, the proposed date for the Uttarakhand meeting (online/offline) is 30th May.

As discussed, we kindly request you to plan the ABC meeting with HEIs in your state and share the confirmed date and mode (online/offline) with us, so that we may align with UGC's expectations. We also request your support in formally communicating the meeting details to all universities to ensure their participation.

Looking forward to your response.

Thanks & Regards
Indresh Chand Ramola
