**Respected Sir,**

I hope this message finds you well. I am writing in response to your request dated May 15, 2025, regarding the submission of the updated syllabus and PPT for my subject, highlighting any changes, by 5 PM today.

I would like to inform you that the syllabus for my subject remains the same as approved during the state-level workshop. No updates or modifications were suggested or made following the workshop. Therefore, I have not made any changes to the previously submitted syllabus. Additionally, as no changes were required, I have not prepared a new PPT for submission.

Kindly let me know if you require any further clarification or if the existing syllabus and previously submitted materials need to be resent for your reference. I acknowledge your request and appreciate your guidance in this matter.

Thank you for your understanding.

**Sincerely,**

Dr S. K. Nautiyal  
Assistant Professor in Geology  
(Head Department of Geology)
